Business Link Media Group is hosting our Niagara 22nd Annual 40 Under Forty Business Achievement Awards. The primary purpose of our annual awards banquet is to give back to the Niagara region while identifying individuals and businesses that greatly contribute to the growth and development of our community.

To date, we have recognized the successes of 840 business leaders across the Niagara region. In 2025, 40 more individuals under the age of 40 who continue to make noticeable investments in business and the community of Niagara will be awarded for their excellence.

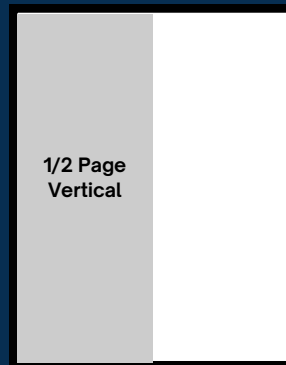

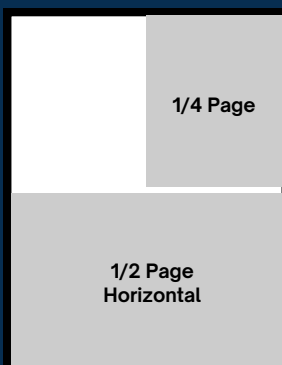

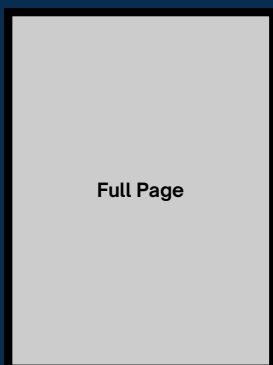

The printed event brochure will be distributed to all attendees during the event, featuring the event agenda, winners' bios, sponsors' information, advertisers' business details, and other congratulatory messages.

For the 2025 event, we are prepared to host approximately 350+ business leaders from all over the Niagara region.
